

Home Learning Autumn 1

Year 6

English – Writing/ SPAG (Core)

The children will bring home a half-termly booklet that will contain each week's spellings. The children will be tested on their spellings every week on a **Friday** so please encourage and support your children in learning these and keep this booklet safe. This will not only help them when writing but also in their SATs next year. Children will be introduced to the spellings during that week.

English – Reading (Core)

The children will always have a reading book to bring home. The children should be reading **at least 3 times a week** (this can be independently or with an adult), thinking about sounding out the words but also trying to understand what they are reading and discussing what they have read.

Mathematics (Core)

Children will be sent maths homework when we feel it is relevant and will link to their learning.

Children can log onto TTRS to keep their times table knowledge spinning.

Please use LBQ as there will be homework set on here linked to the units we have covered in school.

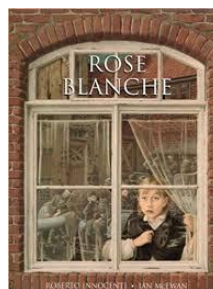

Science

In Science this half term we will be learning about **electricity**.

Challenges:

- Can you find different electricity sources, generators and devices?
- Can you make your own electrical device?
- Can you present all you know about electricity electronically?

I wonder how World War 2 shaped Britain and our local area..

History or Geography

In History/Geography this half term we will be learning about **World War 2**.

Challenges:

- Can you produce an interactive timeline of WW2?
- Can you create a 3D representation of one aspect of WW2? E.g. a Spitfire, The Blitz in a shoebox etc.
- Can you research how WW2 impacted our local area?
- Can you interview someone who lived during war times?

Art

In Art this half term we will be looking at war artists of WW2 and developing our painting skills.

Challenges:

- Can you recreate your own World War Two scene through art?

Think about the medium of art that you select to use (e.g. paint, pencil etc).

- **You must complete** all the core activities above (Mathematics and English).
- Select a minimum of three topic activities to complete (Science, History, Art or DT). You can choose which activities you find the most interesting.
- Presentation must be your best!

Hand in date: Monday 12th October 2026

Values

- In **Values** this half term we will be learning about **Martin Luther King Jr.**
- #### Challenges:
- Can you find out information about Martin Luther King?
 - Can you create a poster or non-chronological report about Martin Luther King?
